

Dear Partner,

We are so grateful for your partnership. You play a valuable role in our mission, and your commitment has positively impacted the lives of residents across our three campuses.

Over the next 25 years, the number of people diagnosed with Alzheimer's in the United States is expected to nearly double, reaching 13 million people. Your support for our annual golf outing, now in its 12th year, directly impacts our residents with Alzheimer's and dementia. In recent years, your investment has improved the lives of residents with Alzheimer's and dementia through music therapy; robotic pets; Lucynt tables; and more.

Preparations are underway for The Ohio Masonic Communities Foundation Golf Classic, June 1, 2026, at Jefferson Country Club in Blacklick, Ohio.

I'm reaching out today with an opportunity for you and your organization to partner with us and continue making it possible to:

- **Reach more residents** by expanding our music therapy program.
- **Enhance our memory support programming** by upgrading technology.
- **Provide more peace** to residents by purchasing sensory technologies, such as Crdl.

Will you consider a philanthropic partnership in 2026? The included sponsorship materials outline several opportunities so you and your organization can choose to get involved in a way that appeals to you.

I look forward to collaborating with you to reach your corporate and community impact goals. For more information, or to discuss how you would like to be involved in 2026, please contact me at (937) 926-4305 or dshirk@omcoh.org. If you are not the proper person for this communication, please forward to the appropriate individual, or inform us who that would be.

I look forward to seeing you for a great day of golf on June 1, 2026.

Dan J. Shirk
